

Dear Parents,

FACTS Grant & Aid Assessment will be conducting the financial need analysis for St. Cyprian's Episcopal School for the upcoming school year. Families applying for financial aid will need to complete an online application and submit the necessary supporting documentation to FACTS Grant & Aid Assessment by April 15. Applicants can apply online by clicking the ParentsWeb link at www.saintcyprians.org. Once an online application for Grant & Aid has been completed, the following information will need to be sent to FACTS to complete the application process:

- Copies of your most recent Federal tax forms including all supporting tax schedules.
- Copies of last years W-2 forms for both you and your spouse.
- Copies of supporting documentation for Social Security Income, Welfare, Child Support, Food Stamps, Workers' Compensation, and TANF.

All supporting documentation can be uploaded in pdf format online.

Documentation can also be faxed to 866-315-9264 or mailed to the address below. **Please be sure to include the applicant ID on all faxed or mailed correspondence.**

As a reminder, you must reapply each year. Any application that is not marked complete in the system will not be considered for award. Timely submission is important. **Deadline to apply for Financial Aid is April 15th.**

No assurance is made that a scholarship will be renewed for successive school years because monies available for scholarships vary from year to year depending upon the individual gifts and foundation grants received. We are grateful to have community partners that continue to provide gifts each year that allow us to offer a scholarship program to our families.

Please note that you must enroll for the 2020-2021 school year and submit your online application for financial aid by the deadline to be eligible for consideration.

If you have questions or concerns about the application process, you may speak with a FACTS Customer Care Representative at 866-441-4637.

Sincerely,
School Administration
